Wi-Fi Hotspot Lending Agreement and Policies

The West Islip Public Library offers portable Wi-Fi hotspots available for patrons to check out on their library card. Portable Wi-Fi hotspots allow you to take the Internet with you “on the go”, enabling patrons to connect a mobile device (smart phone, tablet, laptop) to the internet wherever there is a signal-at home, around town, at the park-anywhere!

- West Islip Public Library cardholders in good standing must first sign this Lending Agreement upon check-out at the Circulation Desk.
- Borrowing is limited to adult cardholders ages 18 and older and is limited to one hotspot per household.
- Wi-Fi hotspots may be checked out for 21 days and are not renewable.
- Late fee - \$5.00 per day. An \$80.00 replacement fee will be charged if more than 10 days overdue. Internet service will be turned off if not returned by the due date.
- Hotspots should be returned at the Circulation Desk and may not be returned in the book drop.
- All components (hotspot, charger, case) must be returned.
- Patrons agree that they are responsible for return of the hotspot and its components in good working condition free from damage and are responsible for any fees incurred as a result of damage or late return.
- Patrons agree to use the internet for lawful purposes only; to refrain from viewing pornographic or obscene material; to refrain from engaging in maliciously offensive, libelous or slanderous activity; and to refrain from violating copyright laws or software licensing agreements.
- In consideration of the use of portable hotspots, patrons agree to hold the library harmless from any claims or actions brought against the library by any party relating to the use or abuse of the Wi-Fi hotspot. The library expressly does not warrant that the Wi-Fi hotspot device will provide for any particular result sought by a patron by way of its use.
