

Homebound Delivery Program

A delivery service of library materials directly to your doorstep.

WHO IS ELIGIBLE?

The Library's homebound service is for West Islip cardholders who are unable to visit the library due to a temporary/permanent illness or disability.

WHAT IS OFFERED?

Materials that can be delivered through the program include books (regular and /or large print), audiobooks on CD, magazines, music CDs, and DVDs from our general collection (not new).

HOW DOES IT WORK?

Fill out the application and once it has been reviewed, we will contact you to arrange your first delivery. Items will be delivered and picked up on Wednesdays by one of our staff members and the drop-off location will be by your front door. You will receive a bag with requested items inside and a ticket in the front pouch that states your home address. When you are ready to return the items, take out your home address ticket so that the library address ticket is shown. Leave the bag by the front door to be picked up. Please refer to the instruction sheet in the bag for more information.

WHAT ARE THE TERMS OF THE PROGRAM?

All West Islip Library items are on loan for 14 days. Most items automatically renew unless there is a reserve on the item for another patron. Homebound patrons are exempt from late fees on all West Islip materials. However, different loan rules may apply to items borrowed from libraries other than West Islip. If so, patrons must return items on time and pay any accrued fees/replacement charges. A limit of 5 items in any format may be borrowed at one time.
