

Flipster® DIGITAL MAGAZINES

Flipster allows you to read the magazines you already know and love digitally! You can access *Flipster* online using a web browser or through the mobile app.

To access *Flipster* through their web browser

- Using either a computer, tablet, or mobile device, open up the library's homepage, westisliplibrary.org.
- On the top of the page, go to **Digital Resources** drop down menu, then select **eBooks & more**
- Scroll down to *Flipster* and click on the **Home & Library Access** link, and begin browsing!

To access *Flipster* through their Mobile App

- Start by searching in your device's app store for "**Flipster-Digital Magazines**"
- Once you locate and download the app, search for **West Islip Public Library** in order to access the library's subscriptions
- Begin browsing!

With *Flipster* you can

- Download magazines to read offline later
- Access a digital table of contents for each magazine
- Tap highlighted areas to jump to related articles and websites
- Track the percentage of the magazine that you've read
- Read all your favorites like *People*, *Better Homes & Gardens*, *Entertainment Weekly* and more!
