SENIOR MONTH: MEMORY KIT

To celebrate Senior Citizen Month with our West Islip Library cardholders, we are giving away free resources to improve your memory. Each kit includes a memory box to put your treasured items in, a journal, a packet filled with games & puzzles, and an album collection of music and films from the mid-20th century. Holding on to your memories and completing brain exercises help your mind stay young. Stop by the Reference Desk beginning May 22nd to receive your kit. **West Islip residents only. While supplies last.**
